

**Amendment No. 1  
To BSAC Participation Agreement**

This Amendment ("Amendment") modifies the Participation Agreement ("Agreement") made and entered into by and between Huawei Technologies, Co. Ltd. ("Industrial Member") and The Regents of the University of California, on behalf of its Berkeley campus ("California") governing conditions for Industrial Members' membership in California's Berkeley Sensor and Actuator Center ("BSAC").

**Whereas**, the Agreement establishes Huawei Technologies, Co. Ltd. as an Industrial Member (IM);

**Whereas**, Industrial Member wishes to change its membership to Collaboration Member (CM);

**Whereas**, Industrial Member's new effective date of membership will be November 1, 2016;

1. This Amendment replaces Article 3.1 of the Agreement with the following:

Industrial Member elects Collaboration membership category, with 1 project(s) (for Collaboration Members only), as described in Appendix B. Industrial Member will provide to California an Annual Membership Fee and any additional Project Fee defined in Appendix B to support BSAC. Any change to such fee will not apply to membership periods previously paid, and can only be made by written amendment to Appendix B to this Agreement. Industrial Member shall make initial payment of at least half the Annual Membership Fee upon execution of this agreement, and thereafter annually on the anniversary of the Effective Date.

2. The Parties agree that Industrial Member's membership effective date will now commence on November 1, 2016, and Industrial Member's five year term of membership shall expire on October 31, 2021.
3. All remaining terms and conditions of the original agreement shall remain the same

In Witness Whereof, the parties hereto have caused this agreement to be executed by their duly authorized representatives.
